After leaving the AA because I wasting money with tense and rubbish driving lessons, Jeds driving school was such a breath of fresh air! ELAINE was amazing, she was so fun but also straight with me which helped me to learn quicker. She always made me feel that I could pass my test, which I did today, second time with only 5 minors. Jeds is the perfect driving school, dont choose anywhereee else! Thanks soooo much Elaine you've been amazing xxx

I'm pretty sure if i had carried on with AA and their ridiculous prices I wouldn't have passed my test first time neither would i be the driver I am. Dave is a brilliant instructor, so big thanks to DAVE. Great calm instructions when driving never felt worried about what I was doing. Also hav had a laugh driving for these past couple months. Once again big thanks to DAVE for getting me and caroline to pass so quickly.

After changing instructors three times with three different driving schools, I finally found Liz. She is sooo nice, patient, outgoing and just genuinely wicked which makes the lessons much more enjoyable. Don't waste your money elsewhere. Wish I went to Liz straight away!! I say LIZ LIZ LIZ ALL THE WAY. I thought I'd never pass, thanks so much Liz XXXX

Charlotte, Croydon – October 25, 2010

First of all I would like to say the biggest thank you to DAVE. You are possibly one of the most easy going and patient people i have ever met! DAVE won't just teach you to pass a test, he will teach you how to drive. I passed my test on Monday the 18th of October having only started driving mid August. I never thought I would ever learn to drive but DAVE calmed any nerves that I had and made me feel comfortable and in control of the car. DAVE went above and beyond to help both myself and my brother and I want him to know that we are truly grateful. DAVE's popularity is rightly so increasing so if you want to learn to drive, pass your test and have a laugh along the way then DAVE is defiantly your man! DAVE like many have said before me, you are truly a LEGEND! Thanks again.

I have just passed my driving test first time with Jeds. George was my instructor and I can not reccomend him enough.

Shane, Mitcham – October 20, 2010

Jeds is most definitely the best driving school in Croydon; don't waste your time or money trying any other driving school. I passed my test first time last week. Having never even been behind the steering wheel of a car before March 2010 I was amazed at how quickly I learnt to drive with confidence and skill and it was completely due to the expert tuition of Elaine; my instructor.

Claire Sultan, Thornton Heath – October 19, 2010
