My instructor was Dave he is a really good instructor he knows how to teach students who have never stepped in a car before and I would defiantly recommend him to people.

Stephen, South Norwood – December 31, 2011

My time learning with instructor Dave has been an absolute privilege. Although I was naturally nervous at first, he soon helped me to relax into my driving, and really made me look forward to my lessons. Going from my first lesson to passing my test in just 4 months exceeded all my expectations, and I feel that it was made possible by the first class instruction and support provided by both Dave and the JEDS driving school. Thank you so much for getting me through my test, stay in touch!

Oscar Clarke, Croydon – December 31, 2011

WOW! what an amazing instructor Dave Kingett is!!!! Dave took me on after a really rough time with a previous instructor, who had seriously knocked my confidence. Dave was brilliant after a couple of lessons my confidence was restored, a seriously big thank you to Dave who helped me pass my test 2nd time. Thanks to Dave I have now been passing on JEDS contact details and will always recommend JEDS! If you haven't started lessons... pick Dave not only does Dave treat you with respect he treats you as family!

Natasha Buckmaster, Sutton – December 26, 2011

Today, after achieving my long aspired goal, I will like to thank Paul Wright for his immaculate teaching skills, sheer hardwork and dedication; and meticulous attention to details that he displayed throughout my learning phase. He has been very considerate while making time adjustments and kind enough to let my daughter sit behind while I took lessons. I can never thank him enough for his continuous encouragement and faith in me to pass my test. For me, Paul has been like a guiding star that helped me in achieving my goal; a fatherly figure whose encouraging words gave me the strength to give the best in order to earn my license; and finally a teacher whose immense driving-knowledge and unparalleled skills prepared me superbly for the task. Let me take this opportunity to also thank JEDS Driving School for having competent driving instructors like Paul Wright. He is undoubtedly THE BEST and I can only say to the future learners that: **CHOOSE PAUL WRIGHT AS YOUR INSTRUCTOR AND HAVE NO REGRETS FOR HE IS THE BEST IN TEACHING THE ART OF SUCCESS!**

I passed my test last Wednesday (30th Nov) and have to say a massive thank you to George at JEDS Driving School for getting me through! Having experienced lessons with a well known national driving school previously, I would rate JEDS as 10 time better (at least!). They really want to get you through your test and will make sure you do! I'd definitely recommend them - and as soon as he's old enough next year, I'll be sending my brother their way as well! Cheers guys! :-)
Julie Foster, Croydon – December 4, 2011

Ashley Westall, Sutton – December 1, 2011

After having 10 years (on and off) worth of lessons with other driving schools I found DEBBIE. I had some really hard times with previous instructors and thought no one would give me the confidence I needed to pass my test, Debbie has gone above and beyond all my expectations. Shes kind, professional, understanding and patient without a blip. sometimes a pupils recommendation speaks volumes and is what a anxious learner needs when considering an instructor, I would recommend DEBBIE 100%. I passed my test today and really don't think I would have done it without her clear and easy to understand teaching methods. THANK YOU DEBBIE!!!! XX
Yiota Nicolaou, Croydon – November 30, 2011

A big Thank you to Naseem who had the patience to put up with me. I have enjoyed all my lessons with her and would highly recommend her to everyone else. I passed my 2nd test today and I really couldn't have done it without her!! She's fun, kind, patient and goes through all ways possible to make you understand driving skills. My Sis and I both passed with her and we will recommend ANGELA to anyone and everyone. Thank you sooo much ANG!!

Zezina – November 28, 2011

Hi, I just wanted to write this testimonial for Debbie my driving instructor, in under 2 months she got me ready for my practical driving test and she was the best teacher I could ever ask for. She taught me everything and so perfectly, in my test my examiner asked me to do reverse bay parking and the spot I had chosen got taken by another person under examination in the test centre! so I had to re-think my bay and I did it in ease and in confidence, in one go! the examiner was so pleased and kept praising me and my instructor for my anticipation and road safety, I would recommend Debbie to any new driver as she brought the best driving out of me, when I first started I wasn't even able to choose the right lane and I exaggerate I passed first go just by learning from Deb in 2 months and I'm sadly gonna miss seeing her in my driving lessons!!!! I was so ecstatic when I passed!! and it's all thanks to Debbie from JEDS, I would be delighted to recommend her to anyone! I want to thank you soooooo much :D
Farzana Choudhury, Croydon – November 27, 2011

He is one of the best when it comes to teaching, his sense of humour and general encouraging nature made lessons highly enjoyable. In fact, I have booked the pass plus scheme with him as I enjoy the lessons so much. Definitely go with Andrew.

I passed my driving test today (5th November) with Stella! She has been the best driving instructor! She made me feel so comfortable from day 1. Stella teaches in a way that I was able to remember and pick things up quickly. She is so down to earth and doesn't make you panic... Just has a laugh about when you stall 3 times in a row!!! Thank you sooo much Stella!!! X
Kira Baxter, Croydon – November 5, 2011

I'd been learning to drive with a well-known national driving school and had a few problems. A friend recommended JEDS with nothing but positive feedback. This is probably the best decision I've made in a long time! I got Debbie as an instructor and was immediately reassured by her teaching style - clear instructions, fair but firm and friendly (&fab!). Anyway, I've just taken my test at South Norwood this morning and despite being over 8 months pregnant, I passed first time!!! As much as I would like to take all the praise, this is mainly down to Debbie. Thank you!! I would highly recommend her as a teacher.
Catherine Nsereko – November 3, 2011

I completed a 3 day course to Train the Trainer. This was a fantastic course and I learned a massive amount in just a short period of time. I would recommend this course to anyone who wants to improve their instructional techniques and advance their career opportunities. Many thanks to a wonderful team of trainers, Ashley and Helena.

Nesha – November 2, 2011

Jeds was recommended to me by a family member who is a driver instructor manager. He said Jeds were the best ones if I wanted to pass my driver test. I had 4 driver instructors before. I have to thank Joanna (my driver instructor) for being such a great teacher and for helping me to achieve what I thought it was unachivable. From the first day we clicked! She has such an amazing sense of humour and she's so easy going. She made me feel relax. Joanna always pushed me and believed on me. She convinced me not to moved the practical test and thanks God because I PASSED IT!! Thanks Joanna :) Will miss her loads!

Vanessa, Coulsdon/South Norwood – October 28, 2011

Sam York, Tonbridge – October 24, 2011

Firstly, I want to say that Joanna is the best and loveliest driving instructor I could of ever had. She is such a humble and warming person and made me feel at ease the first time I met her. I greatly thank her from the bottom of my heart for being so supportive and she always made me laugh,with all that being said Joanna was very clear and easy to understand and everything she said was simple and precise. Joanna is great at motivating and encouraging her students and she is an expert at refining and polishing rough diamonds! As we were approaching the test she had taught me so well that I felt as if I was driving like a pro and it was such a nice and fulfilling feeling. So yup its JEDS all the way and JOANNE is the best and I will miss you and our lessons muchly

I just pass my driving test and I want to say thank you to my instructor Nasim. She is very experienced, professional, kind and the most important thing is she has an outstanding teaching skill. For example, she made the lessons fun, making things easier to remember, and never told me off even though, I did badly. In the end of the lesson, she always explained where could be improve and what you need to do next time. The time I spend with nasim is remarkable.

I think I sent Dave a little mad; the closer to my test, the more insane I made him. But he has patience by the gallon, a tremendous teaching style and above all, endless good humour. Nothing is too much for this man if he thinks it will help you pass. And he WILL help you pass. I passed first time with Dave as my instructor. Dave, you are awesome. A complete star and a driving instructing legend.

Chris, Croydon – February 4, 2011

Dave is the best instructor out there, i highly recommend him to ANYONE & EVERYONE who's waiting to learn how to drive! Daves motivational quote has to be "you're gonna nail this" and its a quote that is definately true when you have an instructor like him.
