I done my driving lessons with Chris H and I can honestly say I enjoyed every minute of learning with him! He gave me a call as soon as he was assigned to me and talked me through every stage and got a feel of who I was.

He made every effort to make me feel at ease and never lost his temper when I got something wrong, he was always encouraging at every step.

I would highly recommend Chris to any new learner, as he's amazing at what he does and makes you feel good within yourself, especially once you've passed!

Lisa, Sydenham– November 23, 2013

Passed my driving test with George. He truly is an incredible driving instructor and certainly is the best out there. Learning how to drive with him was an epic and memorable journey. His teaching style allowed me to gain a sense of confidence within the first few lessons. Furthermore George was full of clear and easy reference points that made maneuverers a whole lot easier than I expected. George also had great confidence in me, which in turn allowed me to feel comfortable and at ease when taking the test. To sum up George is a friendly individual, who has a great sense of banter and I certainly feel privileged having been taught by him.

Anish Mahidharia, Thornton Heath– November 23, 2013

Big thank you to OLGA who taught me how to drive to an unbelievably high standard. Finally passed the practical! Exceptional instructor really grateful to have such a good teacher from such a reliable company!  
Alex, Croydon– November 4, 2013

I passed my test today at Mitcham and Debbie is totally the reason why. She was so patient when I constantly asked silly questions or made mistakes and she makes driving lessons fun. She's taught a lot of my family how to drive and I would definitely recommend her as she's friendly, keeps you entertained with funny stories and always has haribo on hand. She's a brilliant instructor and helped build up my confidence and become a better driver. Thank you soooo much Debbie!

Moire, Streatham– November 1, 2013

I would recommend any one to Jeds driving school when i started my lesson with Naseem, my driving instructor from Jeds driving school i couldn't even hold the steering wheel properly but she guide me step by step with with lesson from her book she teaches me how to be ready for the road with some safety tips. when driving she have lots of reference point that makes it easy to do my maneuvers professionally, she teaches me lane discipline and how to deal with hazard appropriately with her guidance i was able to pass my practical driving test in a few months, I think Naseem is an amazing teacher

Rodney Thompson, Camberwell– October 31, 2013

I passed my driving test first time with Debbie and i don't know if i could have done it without her! She's a great instructor and made sure i was 100% prepared for my test. I will miss all the laughs we used to have in our lessons :)

Kristela, Croydon– October 29, 2013

Thanks to Fiona, I passed my test at the first time of asking. Recommended by many of my friends AND their families who she helped pass, I immediately understood why she had been referred to me. From the first minute she understood what kind of driver I was, and helped me gain confidence which in turn accelerated how quickly I got my licence. It took me just 4-5 months, but without Fiona's enthusiasm and easy going nature (which helped me feel less nervous), it would definitely have taken longer. Extremely thorough, really

easy going, great teacher and deserved the HUGE hug she got when I passed my test :)  
David, Croydon– October 27, 2013

Had such a great learning experience with Dave, absolute top man, such a good instructor, going to miss the laughs we used to have. Would recommend Dave to anyone great teaching methods.  
Russell Bowles, Shirley– October 24, 2013

Hi, I have driving in various countries for the past 20 years. I have passes with minimal effort in UK thanks to the excellent support by OLGA instructor. She was an excellent, calm, supportive, and she makes sure that her students pass with ease and comfort. I have seen many instructors in various countries but none can match with her. I would strongly recommend her to anyone and also feel that she is an asset for JEDS  
Gopi, Croydon– October 23, 2013

I passed my driving test today! My instructor was George! He was amazing he really helped me build confidence on the road and has taught me life long driving skills. I would recommend him to everyone! George explained things in an easy to understand manner and he also provided clear reference points for manoeuvres which made things really easy.  
Sabrina, Croydon– October 22, 2013

I finally passed my test (early June this year) after a lot of lessons with a lot of help from Olga. I would strongly recommend her as driving instructor, she knows exactly what she's doing and can teach you at a fast pace, or whatever suits you. She is a lot of fun and will tell you where you're going wrong, unlike other instructors she does encourage you A LOT when you do something right, and isn't disappointed when you don't (thankfully for me, making mistakes every 20 minutes or so :) ). It was such a pleasure having her as an instructor x  
Tia Maria, Mitchem– October 16, 2013

I passed my test first time having been taught by Fiona. I had put off learning to drive by my previous experience of learning with a different school a few years ago, but having had Fiona recommended to me and giving her a try, I knew straight away her honesty and excellent teaching skills would make the right fit for me and give me the push I needed. I understand Fiona has a great first time pass rate, and to me it's clear to see why. Jeds are lucky to have her.  
Bobby Lock, South Croydon– October 10, 2013

Anna is the best. Got lots of love for her, she is an brilliant instructor. I never knew how to drive but now I do, thanks to Anna. You should give her like a pay rise or something. I will recommend Anna to my family and friends that are learning to drive. She's a top lady!  
Omar, Croydon– October 9, 2013

I had no driving experience when I started learning with Dave. I was unbelievably nervous and awful at steering especially ... "Couldn't steer a trolley in Tesco's" according to Dave! But after just a few lessons I had really improved and Dave had improved my confidence hugely. Dave is so patient and excellent at explaining things. He made my lessons very fun to the point where I would forget I was even on a lesson as we would just joke and chat throughout. Dave is so patient that he didn't even hold it against me when I realised I lost my provisional licence the night before my first booked test! Overall I am so happy that I learnt to drive with Dave  
Jerri, Croydon– October 6, 2013

Huge thanks to my driving instructor Chris Horscroft, for being a fantastic instructor and enabling me to pass my test recently. Took me a lot quicker than I thought to get 'test-ready' and I was very happy with Chris's instruction, which made me feel at ease and confident with my driving.  
Jenny, London– October 6, 2013

I passed my test on the 4th with the help of two very helpful instructors from JEDS, Naseem and Paul. They made me more confident for my test and I passed first time. Thanks.

Muhammad Kashif Khan, London– October 5, 2013

With reference to Mr Paul, He inspired me with confidence and by his positive manner, led me to truly understand the requirements of the course rather than by just learning “parrot fashion”. In my opinion, as a very happy and grateful owner of a very recently passed Driving Certificate, I would like to say that, if anybody is lucky enough to have Paul as a driving instructor, they will be very pleased. He is an excellent teacher and knows how to encourage; how to put one at one’s ease; how to get the most out of his pupils. His teaching methods are sound and thorough. Take it from me that if anybody wants to pass his test first time, then this is the man for the job. I would like to say hearty and grateful thanks to him for putting up with my mistakes, because without his encouragement and expertise I would not have been able to pass my Driving Test.

Babar, Croydon– October 5, 2013

Thank you so much to Vanda who helped me to pass first time and feel safe on the road with her continued support throughout the process. I would recommend her to everyone.

Vanessa, Sanderstead– October 3, 2013

Fortune, South Norwood– October 1, 2013

Wanted to say a huge thanks to Fiona, who in my eyes is the best instructor around! Developed my driving rapidly, getting me a full UK license a month before I expected it. She has the ability to make you immediately comfortable behind the wheel, right from the first lesson and becomes a friend as well as an instructor. Really fun and bubbly, I couldn’t wait for lessons and not only for the reason that I would be driving! It is actually quite sad that I won’t be seeing her any more, and that is simply because she is too good at her job! I have passed her number on to many people and would strongly recommend having Fiona as your instructor. Thank you very much!

Aqeel Jeraj, Mitcham– October 1, 2013

A big shout out and thank you to Angela my instructor! I was a beginner to practical driving but had passed my theory before had but I definitely would not have been able to pass without her. I felt completely comfortable with her and was able to ask her anything. She was totally chilled and I enjoyed every single lesson I had, actually they never even felt like lessons lol. Seriously I’d recommend her to anyone as passing would feel like a breeze. x

Margaret, Thornton Heath– September 20, 2013

I started as a beginner with no driving experience. I was fortunate enough to have Dave Kingett as my driving instructor, who pushed me through such an amazing experience and a lot of enjoyable moments. I have finally passed with four minors with the help of dave kingett. Thank you jeds for an amazing instructor, and most of all thank you dave... couldn't have done it without you.

Rhea Dillon, Croydon- September 15, 2013

Before i started my lessons with Fiona i have never driven a car properly at all and my first lesson with her was my first driving experience in my life and who would have knew that in less than 2 months i would be here with my Pass certificate and writing a testimonial for my instructor Fiona. Without her help and confidence in me i would no have passed at all as i did take a 1month holiday abroad then came back only last week on the 4th sept from holiday for my test that was on the 12th sept and in the one week time i had she helped me get ready for my test and helped me pass it in the first attempt. i just want to say a big thank you to Fiona for making this possible.

Gowry, Mitcham- September 14, 2013

A massive cheers to Fiona who has helped me a lot with my driving. She makes you learn the basics so quickly and helps you perfect any negatives I had, even if they were not so big of an issue! She had supported me throughout my driving lessons and has made me more confident. Nevertheless, I highly recommend this legend haha cheers Fiona!!

Ammar, Croydon- September 14, 2013

He's always gone out his way to put my lessons in! Thank you so much Paul i really don't think i could have done it without you!

Louie, Croydon- September 11, 2013

I would take this opportunity to thank George for a very welcoming and patient driving instructor who I believe is the one of the best instructors out there simply because he knows when to work and when to talk nonsense and have fun. I made petty mistakes which I acknowledged and work on with the help of George, One of the funniest kind, nicest driving instructor and I thank God I met him, cant wait to take the pass plus course now.Love bro!

Duale Adan, Croydon– September 11, 2013

I want to say a massive thank you to Paul. I passed my test 1st time in Croydon and I certainly couldn't have done it without Paul being such a brilliant instructor. He explained everything so clearly and ensured I was well prepared for my test. I couldn't have asked for a better instructor. He was dedicated to me as he is with all his pupils and was always patient whenever i made mistakes (there were quite a few). I highly recommend Paul to everyone as he gave me the confidence and skills to drive. THANK YOU

Emily Cotton, Kingswood– September 8, 2013

Thanks to Naseem

Raenee, Croydon– September 1, 2013

A big thank you to Dave from JEDS who helped me to pass my test first time after just a few lessons. I would recommend JEDS, especially Dave, to anyone looking to learn to drive! Thanks again.

Josh Huggett, Shirley, Croydon– August 30, 2013

Dave taught my sister how to drive and got her through her test so it was only natural for me to choose Dave as my instructor. I can honestly say that he the best driving instructor ever, he is so patient and so kind! He explains everything clearly and simply! I am going to miss having driving lessons with Dave! I just want to say a massive thank you to JEDS and to Dave for putting up with me!

Alice Smith, Purley– August 30, 2013

I just passed my test with Dave as my instructor and I couldn't recommend anyone better. I've tried several instructors over the years and no-one has been able to provide such a great service. Dave has such a good understanding of driving and the roads, he explains things in a way that makes sense and is so easy to understand. A genuinely nice guy too, which always helps!

Wes, Sydenham– August 23, 2013

On the 21st of August I passed my driving test with JEDS. I'd like to say a BIG thank you to DEBBIE!! Debbie was such an amazing driving instructor. She was always so helpful and patient in our lessons. I found driving quite difficult in the beginning and Debbie's relaxed approach to teaching me really helped me to understand and persevere. I'm going to miss our driving lessons because they used to actually be really fun! The smoothies, munchies and everything else, always helped lol :). Even though our lessons were JOKES and chilled, we always got a lot done. Debbie really didn't waste any time teaching me how to drive, and this is why I now have a full licence! I am now a confident driver and this is all thanks to Debbie. If you need a hard working, fun and lovely driving instructor then Debbie would be perfect for you! I'd also like to thank Fiona and Shabana as I'd had lessons with them too and they were just as amazing :) I would 100% recommend JEDS. Thanks DEBS, and thanks JEDS :) xxxxxxxxxxxxPS, debbie, i know your guna miss swimming home loool xxxx

Lauren Smartt, Thornton Heath– August 21, 2013

I passed my Practical driving test on the 14/08/2013 all thanks to JEDS driving school. My instructor Naseem was very patient with me and was constantly reassuring when I doubted my abilities, but was also firm when she needed to be and because of her I passed first time no problem! I am extremely grateful to Naseem and JEDS for helping me pass this milestone in my life!

PeeJay, Croydon– August 14, 2013

JEDS was recommended to me by my sister who passed with them not long ago. So today I would like to say a big thank you to JEDS and my instructor Dave as I have just passed my Practical driving test with them! After trying two other driving schools with no success I would highly recommend JEDS and Dave. He gives such a big boost to confidence and is an excellent teacher. If only I had to come to JEDS first!!! Take care.

Joshua Sealy, West Wickham– August 13, 2013

Well well well, where do i begin?! <br />A BIG FAT HUMONGOUS Thank you to Fiona Donegan for teaching me how to drive and believing in me! Not only is Fiona the best instructor that i have ever had, but she helped me find the confidence that i needed when I was behind that 'bloody wheel!!' LOL!! <br />I never felt nervous with Fiona, she made me feel very comfortable , i could talk to her about anything, Fiona was like my therapist!! <br />The amount of times i use to hear Fiona say 'turn the bloody wheel!' That really helped me when doing any maneuvers! <br />

I'm sad that my time of learning has come to an end, but happy as i am going to be a married woman with a 'BLOODY!' Licence!! <br />I'd definitely recommend Fiona as your instructor! Not only will you learn fast, you'll have an amazing time!!<br />

I am so glad that I passed my test first time. Thank you so much, Michael Ashby, my instructor, for your consistent patience, support and positive attitude. I chose to learn to drive in an automatic car after a disastrous attempt to learn to drive in a manual car. My first instructor told me that I was his worst student and I would perhaps never get a licence. However, motivated by my husband, I chose JEDS and here I am, with a licence, within in four months after my first attempt to learn in a manual car. I appreciate my instructor's professionalism and expertise and because of his efficient teaching, I drive around now, with confidence, just four days after passing my test. I took as many lessons as my instructor and myself felt, would need me to gain confidence and Michael gave me four mock tests as well. I enjoyed my lessons because my instructor was was very friendly and understanding. Thank you JEDS for your excellent customer service. I recommend JEDS and definitely Michael Ashby, if your wish to learn in an automatic car.

Radhika, South Croydon- July 31, 2013

JEDS is fantastic. I passed my Test both theory (in April 2013) and practical (on 30 July 2013) in first trial itself. This was all possible with the help of my instructor Fiona. Fiona helped me learn my theory and today I passed my practical as well. She had been down to earth to prepare me thoroughly well before going to the Test Centre. Fiona had been fantastic, considerate, tolerant, co-operative, full of patience. In fact words are too less to describe her traits. She is a GREAT TEACHER..... Thank you Fiona this wasn't possible without you.

God Bless You SUCCESS throughout....Meenaxxx

Meena, Norbury-Streatham-Croydon- July 30, 2013

I recently passed my test on the 29th July - DEBBIE my Instructor was my reason for this, I honestly couldn't have passed without her and I don't think anyone else would have had the patience she did either. With her I never once had a boring lesson, she is kind, energetic and so she thinks very funny. She guided me and helped me through all my mistakes and also put through with a lot of my screaming! I definitely 100% recommend Debbie as a instructor for anyone else learning to drive and who is looking to pass quickly! Thank you JEDS and a big thank you Debs! Love you!

Emma, Mitcham- July 30, 2013

All the things you read about my dad Dave Kingett are true. Also thanks Paul

Matthew Kingett, West Wickham- July 29, 2013

Passed my test On the 23rd July- FIONA my instructor I believe was the reason for my success in passing my driving test because believe it or not I would not have passed without her, She helped me so much in sparing her time just so that I could pass my driving test. She was the best instructor for me because before her I had been with another driving school which was just stopping to talk and waste time but Fiona talked me through whilst driving which impressed me in taking more lessons with her. I would rate her 10/10 and 100% recommend Fiona as an instructor for anyone who wants to pass very quick!

Naveen- July 27, 2013

What can I say about Debbie? Calling her one of a kind is an understatement. She is patient, energetic, and

she also thinks she's funny. Today I passed my test first time, and I owe it to Debbie and her brilliant style of teaching. She gives you a chance to rectify your mistakes, and guides you on how to do things better. Although it's her job, she goes that extra mile, for which I am grateful. She will most certainly be first in mind for recommendations. Thank JEDS and most of all thank you Debs!!

Rochelle Robinson, Croydon- July 26, 2013

Dave was an absolute miracle-worker in my opinion. In a short matter of time he managed to seriously boost my confidence and driving ability to test standard, whilst making each driving lesson one to really look forward to! I cannot recommend him enough. As well as being one of the loveliest people I've ever met, I think he might just be the best driving instructor ever (and I have experienced several!) You can never go wrong with Dave :) I'm so pleased to have passed!

Lucy Cast, Sutton- July 23, 2013

Passed my test On the 16th July- 10/10 for a fab company... Never thought I would pass, but thanks to Jeds I have.... A new chapter in my life is about to begin and a big thanks to Dave who helped me achieve it. Will definitely recommend Jeds to anyone who asks.

Raphael, Croydon- July 21, 2013

A great driving school with flexible lesson and payment options, I would recommend JEDS' driving experience to all budding learners. I passed with my driving instructor, Fiona, it was her local knowledge of best practice routes that proved to be the most useful of JEDS services, extensively savvy, Fiona is a great choice for the Mitcham and surrounding areas. Thank you JEDS! CLUTCH CONTROL = PINK CARD!

B. Rose, Mitcham- July 21, 2013

I passed first time with Jeds yesterday afternoon and I am very grateful to all of you. Here is a testimonial for my driving instructor.<br />Over the months of driving, I feel I have had one of the best experiences so far. I feel this is down to my driving instructor Debbie, she is like no other. I couldn't have asked for a better instructor. She was firm but friendly. Pointed out where you went wrong and allowed you to fix your own mistakes. It helped your general driving as a whole. She wasn't just a teacher she was a friend and I am so grateful for all she has done for me  
Danielle Alexander– July 10, 2013

Gloria Akinloye, Sutton– June 27, 2013

After having 20 lessons with another driving company I felt ready to book my test, also having been told by many friends that west wickham was a really easy test centre I booked it there. Unfortunately my driving instructor at the time had gone on holiday, and wouldn't be back until after my test date, luckily a friend of mine who had passed with Jed's recommended Debbie to me. Having only around 10 lessons with Debbie, she had taught me so much easier methods and valuable knowledge that I will use in the future. Unfortunately I failed my test in west wickham but only due to me having switched instructors so quickly. Debbie then advised me to book my second test for Mitcham, being told by friends that Mitcham is busier I was hesitant at first although I went for it! Unfortunately Debbie could not take me for my test and therefore arranged for another instructor to take me for it. With only three lessons before my test date Yiannis helped me brush up on my driving and helped me learn bay park with just one lesson (as west wickham do not do bay parking I hadn't learnt it before). On the 26th June I passed my test (and done a bay park as soon as the test started!) I'd really like to thank Debbie and Yiannis for helping me pass my test! Both of them definitely know their stuff and overall great instructors and highly recommended :D  
Gianni, Croydon– June 27, 2013

Thank youuu soo much to my wonderful instructor Naseema. I passed my test today in Croydon. It was a great experience and a lot of fun with you. I believe you helped me improve my confidence and helped me gain a lot of skills that I will use throughout my driving. I will recommend Naseema to everyone that wants to pass with confidence as she is amazing with her teaching techniques and motivation. I was taught a lot of things, which helped me pass my test without struggling. ThankYou soo much Naseemaa, wish you all the best .

Meliha Mazi, Croydon– June 21, 2013

FIONAAA!!! Thank you soooo much for being the great instructor you are. Couldn't, have passed first time without your help, support and motivation! You were ever so patient and really made the effort to target where I needed help the most and your teaching was very personalised and tailored towards my circumstances. Each hour spent driving was definitely worth it because you got me on the road for the whole hour and no time was wasted! After experiencing driving with other instructors, you were the one that helped polish up my driving and get me into that test centre and come out with a PASS! Loved all the jokes and drawing you made, which made the experience all the more enjoyable and worthwhile. Thanks a lot once again! :D

Aiyesha Latiff, Thornton Heath– June 13, 2013

Kavita Londhe, Croydon– June 8, 2013

Woo passed my driving test on Wednesday, and I can honestly say I couldn't of done without my instructor Yannis. I wasn't a beginner but had a lot of bad habits. Passed my theory test in May and on the same day he suggested I booked my practical. I've had 3 different driving instructors and I can honestly say out of all 3 Yannis was the best one. Every time we had a lesson I'd look forward to learning new things and getting closer to becoming a driver. Unlike my other instructors, he was very patience and told me what I was doing right and wrong. I kept asking him if he really thought we could do it all in a month and he'd say " Yeah we got this". Here we are a month later and I can proudly say that I'm now a driver. Thank you so much Yannis, couldn't of done without you :)

Luyana, Kingston– June 7, 2013

I passed my driving test yesterday at Mitcham test centre (passed first time). I managed to pass with the help of my amazing instructor Debbie. Taught me everything I needed to know and had really fun and enjoyable lessons, I've recommended Debbie to a lot of my friends as I am absolutely sure she'll make them pass first time as well. Thanks Debbie, Your one in a million!

I passed my driving test in February with George. He was an excellent instructor and helped me through my nervousness and made me gain confidence behind the wheel. Had enjoyable but informative lessons. Thanks again Jeds! So brilliant that I will recommend family and friends to your driving school.

Stephanie Martin, Norbury– May 24, 2013

I passed my test yesterday and it wouldn't have happened if I didn't have my amazing instructor Paul. Despite my previous failures he managed to get my confidence back and helped me to get through this! He is a very professional, high standard instructor, who will make sure you will do well by the time your test comes. He taught me everything that I needed to know, so during the test it was pretty straight forward what I have to do in order to succeed. And although English is my second language, everything was crystal clear to me. THANK YOU PAUL SO MUCH, I couldn't receive a better birthday present than this!

Darya, Mitcham – May 23, 2013

I passed my test on 17th May with Jeds instructor Shahin, and I must say he has been excellent from start to finish! His patience is great, and learning to drive whilst pregnant, I am pleased to say his knowledge will benefit me and my growing family for years to come. He got me and 'bump', safely through the test, would highly recommend him!

Dave taught our daughter and was absolutely fantastic. He was very patient, kind and understanding not just with our daughter but with me as well, as my nerves were worse than hers! I would definitely recommend him to anyone and would love him to teach our son when he's old enough to drive. We didn't want to say goodbye to him when she passed as he is so lovely, might have to look at pass plus...

Masato, Croydon- May 12, 2013

I just wanted to thank Paul my driving instructor, he has become a real friend as well as passing me through my test. I had been learning on and on for 7 years before he took over teaching me, he taught me in such a professional manner every lesson, and made learning to drive really easy, I owe a lot to him, as I'm now driving and am the happiest I've ever been thanks

Michael Wedlake, South Croydon- May 9, 2013

Just want to say thank you to Dave. I'm not one to be writing sappy messages but I couldn't have asked for a better instructor. I was able to learn and have a laugh at the same time which is perfect for me. Anyone else would be lucky to have him !!

Lee Ellis, Streatham- May 7, 2013

I passed my practical driving test yesterday at Croydon test centre with Debbie on my 1st attempt! I would highly recommend Debbie as an instructor to anyone who wishes to learn how to drive quickly and/or has little confidence in their ability. Debbie remains friendly, positive and understanding, yet maintains an honest and no nonsense attitude to common mistakes which only help perfect your driving. She also has a fantastic way of explaining manoeuvres clearly and easily. After 2 years of (on and off) driving lessons and 4 different instructors, Debbie is by far the best instructor I've had. She helped perfect my driving and prepared me for my test after a only few weeks of having her. Wishing Debbie all the best. Xx

Sana Khan, Wimbledon- May 1, 2013

A big thank you Angela for all your patience - so pleased to have passed today!

Jessica, Streatham- April 30, 2013

I passed my test on the 29th of April and I owe it to my instructor, Dave. He was dedicated to me as he is with all his pupils. Without him my confidence would have continued to have gotten the better of me. So without hesitation I would recommend Dave. I have not only learnt to drive but I've also gained a friend who's primary incentive is to see his pupils succeed!

Scarlet Sealy, Sydenham- April 29, 2013

I passed my driving practical test on Tuesday 23rd April- my 19th birthday! With the excellent Vanda Hutchings. I was so happy to pass, as it made my birthday 100 times better! Vanda was an excellent instructor, I'd defiantly recommend her to anyone! I could have a laugh with her but also learn at the same time, she was very patient and could chat with her which I liked, as I love to talk! I knew I wanted to pass

pretty quickly, and I did apart from the dreaded theory test! 4th time lucky- I'm not great at exams! I'd recommend JEDS to everyone specially Vanda as she's great! Thank you so much :) xxx

Just passed my test today with the aid of the AMAZINGLY BRILLIANT instructor Canan. This woman is a Jedi on the road and if you're in search for a Yoda of an instructor, stop reading this, call JED and ask for her. I am very pleased with the service, the flexibility and though I'm not the easiest student, Canan made teaching fun and easy. So big shout to her and awesome job for JED in finding her and if she's an example of what the other instructors are like. You'll be in good hands  
Francis Mormah, Hither Green- April 16, 2013

not for my amazing driving instructor Dave, who has helped me conquer my nervous whilst having many laughs along the way! Thank you Dave and JEDS

Courtney Hudson- April 15, 2013

Today, I passed my driving test at Croydon test centre, and after my fourth attempt I am so relieved. I was with a different driving school before Jeds and I wasn't improving in the slightest, hence continuously failing my tests. A friend recommended Jeds and I was lucky to get such a lovely instructor who snapped me out of my terrible habits and made me a safe driver! Thank you so much Vanda for being so patient with me and giving me back my confidence after being so ready to give up with driving altogether!

Deana Hassanein- April 11, 2013

I passed my test last week with Debbie! Although it was second time, it was all down to nerves and Debbie really helped boost my confidence and pass with only 3 minors. Debbie's really lovely and I highly recommend her as a great instructor and a great person!

I would like to thank my driving instructor Vanda Hutchins, for her patience and advice. She was brilliant  
even put up with my moods and boy there was a few of them!!! I would also like to say that the advice she

Last week I passed my test. My instructor Dave was absolutely brilliant. My previous instructor had really knocked my confidence but from my first lesson with Dave I'd regained it. If you want an easy-going relaxed way to pass your test, choose Dave. You won't only be gaining an amazing instructor, you'll be gaining a friend. From Sophie

I passed! Big thanks to Naseem, for helping me to get there, she really helped me to improve my confidence

and skills and overcome the dreaded roundabout. She made lessons fun and driving became something enjoyable, not just a test to be passed. I'd recommend Naseem to anyone who needs to improve their confidence or might be nervous about aspects of driving! Thank you!

Muqet Mirza, Norbury- February 23, 2013

My name is Michelle and I was a student driving under Fiona and I found her so helpful,polite and easy to communicate with. I started with no theory an hardly any knowledge about driving. She encouraged me to do my theory ASAP and I passed. She gave me the confidence to believe in myself and within no time I passed.

Michelle- February 21, 2013

Big thank you to Vanda Hutchings for teaching me how to drive! She was an incredibly flexible teacher when it came to times of lessons and the best instructor I could of had. Shailla Bashir, Norbury- February 21, 2013

I finally passed my driving test!! Things didn't start off well for me when I started my lessons, but I changed instructors and everything started to take off from there. I want to give a big MASSIVE thank you to DAVE, if only he knows how much he helped me and gave me the confidence throughout all my lessons to enable me to pass my test. I recommend Dave to EVERYONE and anyone who wants to have a fun experience and pass their driving test. I've had pervious instructors before Dave and I can honestly and truly say that Dave is the best instructor and if I had him from the start, I would have passed my test ages ago. Don't make the same mistake as me and chose Dave as your instructor and you will pass with flying colours. Thanks Dave! :D

If you are looking for an instructor who pushes you hard to reach your goals, makes you feel at ease and also has a great sense of humour then FIONA is your girl! I STILL CAN'T BELIEVE I PASSED FIRST TIME TODAY! I LOVE YOU FIONA! HAHAThanks to Fiona, I am the first person in my family to pass my driving test first time! GO ME! I've had 2 previous instructors from different driving schools, which unfortunately didn't work out. I contacted my first instructor and he recommended Fiona. Little did I know that Fiona was going to help me pass my test FIRST TIME! To be honest I really don't know how she put up with me, I'm a nervous wreck and I complained a lot but she turned that into laughs and giggles and made my lessons so enjoyable! I felt like Fiona was a friend sitting next to me and felt as though that Vauxhall Corsa was mine! Haha! That's how relaxed she made me feel :) Fiona suggested that I could bring friends along to my lessons and after my lessons my friends kept telling me how cool and funny my instructor was and I was like yes I know... Haha I have already recommend her to all my friends! I am honestly going to miss Fiona so much and when you book your lessons with JEDS make sure you book it with FIONA!! I just wanted to say thank you once again for helping me pass my test FIRST TIME! I'm forever grateful! Missing you already!! Xx  
Rachel, Mitcham- January 24, 2013

Forgot to add that I didn't have any confidence in myself whatsoever but Fiona believed in me all the way. I actually thought it was impossible for me to pass first time and I started to doubt myself but Fiona talked a lot of sense and done whatever it took to motivate me and reach my goal. I'm just so happy to have had her as my instructor, I consider myself VERY lucky to have found her :) BOOK A LESSON WITH FIONA and I can guarantee you will love her and she will help you pass first time xx  
Rachel, Mitcham- January 24, 2013

Passing my driving test was so long overdue and my sister had just passed with JEDS a few weeks before so I thought it would be worth going with them. I took my lessons and test in an Automatic vehicle, Michael Ashby was a great instructor, very patient, flexible and friendly, as a student I felt confident and at ease during my lessons, so much so that I passed first time. I'd recommend JEDS to anyone and if you're doing AUTOMATIC and are from Croydon, then Michael Ashby is a great instructor.
